

Dear Colleagues, dear Trade Union Members!

We are pleased to inform you that, as from this year, the Balatonföldvár resort, owned by the Teachers' Trade Union (PSZ), will be operated as a hotel under its own name, **PSZ Hotel Beach Földvár**.

The biggest advantage of the facility is, that it is located 80 metres away from the Balatonföldvár City beach, where you are entitled to get a discounted (25% discount) entrance ticket with the Földvár Card.

We repainted the building and the interiors, redecorated the rooms, **equipped each room with a TV set and a mini-fridge**, and replaced the textiles in the rooms and bathrooms. The walls are decorated with artworks from the PSZ children's drawing contest. Free wi-fi is available in the entire area of the hotel. The kitchen is equipped with modern appliances. **The air-conditioned restaurant** offers a generous breakfast.

In addition, in the lounge we have installed a big-screen TV, so that sports fans can watch the European Football Championship and the Olympics this summer. The PSZ has entrusted the management of the hotel to a professional with decades of experience abroad, who, together with his team, will guarantee a relaxing holiday.

The PSZ Hotel Beach Földvár will be open to guests from 1 June 2021, in compliance with the legal regulations and the hygiene measures required by the epidemiological situation.

It is a priority, that **PSZ members receive benefits in return to their membership fee**, which is why we offer a **standard 30% discount** of the hotel rates for **our members** and for their immediate **family members**.

Due to the increased interest, **our members will be given priority** for bookings until **31 May**, so please contact the hotel and make your reservation as soon as possible.
